## Biblical Church

### Planting Manual

Answer: Church planting is the establishing of an organized body of believers in a new location. The process of church planting involves evangelism, the discipleship of new believers, the training of church leaders, and the organization of the

**Read Book A**

church according to  
the New Testament  
model. Usually the  
process also includes  
writing a church  
charter and/or  
doctrinal statement  
and finding a place to  
meet or buying  
property and  
erecting a new  
building.
