Business Income Insurance Demystified: The Simplified Guide to Time Element Coverages (Third Edition) details the purpose, processes, and intricacies of business income coverage; and like the title suggests, simplifies business income for the insurance professional. This book walks you through the basics of business income, details and simultaneously simplifies the business income report/worksheet (the form that scares those who have not read this book), teaches you what is required to calculate the period of restoration and coinsurance percentage (these are actually related), clarifies coverage provisions contained in the loss determination section, discusses dependent property exposures and coverage, presents the three non-coinsurance options, and expounds on extra expense coverage. In addition, the book provides a business income checklist and guides you step by step through the business income application.
