[Corporate Finance, 4e : David Hillier : 9781526848086](#)

This is an excellent introduction to applied corporate finance. It does not require any prior knowledge of economics or finance, but knowing some calculus is certainly useful. As the title implies, the book focuses on applied corporate finance. For those readers seeking a more theoretical approach, I would recommend the treatise by Jean Tirole.

[Applied Corporate Finance, 4e : David Hillier : 9781526848086](#)
