BEWARE THE PAST a gripping crime thriller with a huge twist

The gratuitous billing of Beware the Past - by the author herself - as a "gripping" UK crime thriller with "a huge twist" grabbed my attention. In the back of her book, the author provides a glossary of British word usage as an aid to American readers like me unfamiliar with the way the English speak English.

Beware the Past (DCI Matt Ballard, #1) by Joy Ellis

Beware the Past is dark in nature, and dark in location - the setting of this novel really adds a sense of desolation and eeriness to the read. The characters were believable but I didn't really care about them or their fate, beyond wanting the good guys to win and the bad guys to lose.

Amazon.co.uk:Customer reviews: BEWARE THE PAST a gripping

Author: ELLIS, JOY. We appreciate the impact a good book can have. We all like the idea of saving a bit of cash, so when we found out how many good quality used books are out there - we just had to let you know!

BEWARE THE PAST a gripping crime thriller with a huge twist

Find helpful customer reviews and review ratings for BEWARE THE PAST a gripping crime thriller with a huge twist at Amazon.com. Read honest and unbiased product reviews from our users.

Amazon.co.uk:Customer reviews: BEWARE THE PAST a gripping

Beware the Past is definitely a gripping crime thriller. It is a very English mystery, but not a cozy one! DCI Matt Ballard is nearing retirement when he suddenly receives photos of serial killer crimes from twenty or so years ago. Is the killer back? This is a very tangled, twisted tale with a stunning ending.

Amazon.com: BEWARE THE PAST a gripping crime thriller with

Beware the Past is a good novel, well-written, but not one I would rush to recommend because I couldn't connect with the characters and I guessed the ending. However, my favourite thing about this novel, it's 'old-school' vibe. Read more. 27 people found this helpful.
