## Read Book Chord Wheel Ultimate Tool Musicians

The chord wheel, which is the front cover of this booklet, is an extremely useful device. Would have liked a little more about the music theory behind chords in the accompanying pages of text - but I guess this product is more for those with a reasonable 'working knowledge' of music, and this comment should not detract from the value of the chart.

I didn't pay enough attention to the product description; was a little put out when I got it because it's only 12 pages long. Basically paying \$18 for a cover with a plastic wheel to rotate showing the chords. Mind you, the wheel is neat. I think I was expecting a little more explanation in the book about chords.
