Encyclopaedia of 7700 Illustrations by Paul L. Tan, April 1990, Bible Communications edition, Hardcover in English - 1990 ed edition

Who is God? What is God really like? How are we to comprehend and understand an infinite, eternal, all-powerful Being who is the source and the purpose of all that exists? It ' s not enough to believe that God exists, we must have an accurate and realistic understanding of God if we are going to relate to Him in a meaningful and personal way. This book is written in an easy, readable style, and seeks to help people to have a correct understanding of the person and character of God, perhaps correcting some of the false views that are prevalent in today ' s post-Christian media culture. The book will be of interest to people of faith as they seek to grow in personal understanding and devotion, as well as to seekers who would like to know more about their Creator God. Questions for Consideration or Conversation at the end of each chapter allow for deeper individual reflection, or discussion in a small group setting.

A diesel mechanic is smashed under the weight of a logging truck. A child ' s inner tube is sucked out of a peaceful stretch of water into a frothing patch of dangerous rapids. A woman searching for peace is met with an icy chill when she begins arranging runestones.... In all these stories, there is one common thread—God ' s angels are waiting and ready to powerfully intervene. If you have ever doubted the presence of angels or questioned whether God is still acting through them, this book will inspire you to look beyond your everyday perceptions. In the follow-up to their 2018 title When God Happens: True Stories of Modern Day Miracles, bestselling authors Angela Hunt and Bill Myers invite you into the miraculous—sharing nineteen true, rihand testimonies of angelic appearances, perfectly placed protection, and unforeseen interventions that will encourage you in your faith and cause even the most skeptical minds to take a second look. Hear from a father whose family was saved from back-alley cutthroats by a mysterious Scotsman, a woman whose spiritual battle was inexplicably resolved through a tattooed pickup driver interested in potted plants, and a newlywed home economist whose generosity to an unexpected visitor transformed her life. If you have ever doubted what angels are, where they come from, or how God is working through them today, we pray these stories will open your eyes to the mighty work that is done when God happens.

Betrayed by a loved one, it's easy to allow the pain that stabs the heart to leave behind ugly scars of bitterness, anger, and unforgiveness. But it doesn't have to be that way. In this book, Joy Haney shows you how to experience grace under the pressure of hurtful experiences. Walking through the fire of bitterness and devastation, you can rise to a new level of refinement and forgiveness and learn to make choices that lead to spiritual growth instead of despair. You will be challenged to walk in a new dimension of strength as the wisdom of God brings healing to your mind and spirit.

Was Joseph as a spoiled brat who loved to lord it over his brothers and pretty much got what he deserved? Was he a wise determined young man who did everything he could to end his familys sad history of deception and dysfunction? Was he simply as an innocent victim of the twists and turns of life? Were the events in his life chance happenings, so all he could do was make the best of it? Or were they results of his choices - or Gods choice - or both? Could it be that what happens to us is meant to affect what happens in us? Could it be that the events of our lives are invitations from God to enter into partnership with Him? Do our choices and Gods choices somehow work in partnership to move us through the tough times into the next chapter of our life story?

Perhaps the most encyclopedic text on preaching in any language—the finest counsel from many of the acknowledged grand masters of the contemporary pulpit, including Calvin Miller, Joel Gregory, Stuart Briscoe, James Cox, Elizabeth Achtemeier, Thomas Long, James Earl Massey and many more.

While many feel that prayer is the right of every believer, I personally believe that prayer is not our right but a privilege that has been afforded us by our heavenly Father. The writer of the book of Hebrews declared, "Let us come boldly unto the throne of grace, that we may obtain mercy, and find grace to help in time of need" (Hebrews 4:16). The invitation from our Father is to come and find rest from the daily pressures of our life. It is an invitation to discover a sense of peace that can come only when we realize that no matter how big our problems may be, God is bigger still. His invitation is to find him to be our all in all as we cast every care upon him. My prayer is, for all who read this book, that prayer, if now a neglected privilege, will become the most important part of each day—that Prayer, is indeed, So Great an Invitation.
