and “ study of, ” respectively.

Theologically speaking, then, the term eschatology refers to “ the study of final things ” in the Bible. It concerns both personal eschatological issues such as death and the intermediate state as well as themes with a more general or corporate focus.

The aim of this article is to examine the relation that the New Testament posits between ethics and eschatology. The first part will deal with the ethical implications of eschatology as a whole; the second part will be devoted to an examination of one topic only—the Second Coming (Parousia) of Christ; the third part will take the form of a
