A disreputable scoundrel, he is captivated when they meet by chance and is determined to win her heart, even while she's busy dazzling the rest of London society. Now Dorothea has a choice to make: stick with her plan to remain a respectable spinster, or run into the arms of her dashing stranger... Originally published in 1992

Rediscover this classic Regency romance by #1 New York Times bestselling author Stephanie Laurens. Miss Lenore Lester was perfectly content with her quiet country life, so she took steps to remain inconspicuous when managing her brothers' house parties—but to no avail! Though Lenore hid behind glasses and pulled-back hair, she couldn't disguise her beauty. The notoriously charming Jason Montgomery, Duke of Eversleigh, easily saw behind Miss Lenore's brilliant disguise, and while she was determined not to be thrown off balance by this charming rake, he was equally determined to loosen the hold she had on her heart. Originally published in 1994

Finding her father's wealth a dubious blessing, Eleanor Transome nonetheless agrees to become engaged to Lord Randolph Falloden, an arrogant earl who is unable to resist the lure of cold cash.

Max Rotherbridge couldn't believe it. Along with the dukedom of Twyford, he, London's most notorious rogue, had inherited wardship of

four devilishly attractive sisters! Including the irresistible Caroline Twinning. The eldest Twinning was everything he had ever wanted in a woman, but even Max couldn't seduce his own ward or could he? After all, he did have a substantial reputation to protect. And what better challenge than the one woman capable of stealing his heart?

Stephanie Laurens, the phenomenal New York Times bestselling superstar is back with *The Elusive Bride*—the second book in her magnificent Black Cobra Quartet. Never before in print, this masterful blend of passion and intrigue follows *The Untamed Bride*, the first in the four-part historical romance series that Booklist calls, “fabulously entertaining.” A spellbinding tale of destiny, duty, desire, and peril—with ties to her popular Bastion Club novels and her well-loved romantic adventures featuring the endearing family of rogues, the Cynsters—*The Elusive Bride* confirms Laurens’s well-deserved standing as one of the genre’s premier storytellers.

New York Times bestselling author Stephanie Laurens has created some of romance's most unforgettable novels. Now she has created her most provocative love story—and amazing hero—to date. This is the book that dares to ask the question: Who is this man's ideal bride? Michael Anstruther-Wetherby is a rising member of Parliament—a man destined for power. Aristocratic, elegant, and effortlessly charming, he is just arrogant enough to capture the interest of the ladies of the ton. And with his connections to the wealthy and influential Cynster family—his sister is married to Devil Cynster, the Duke of St. Ives—his future appears assured. Except that Michael lacks the single most important element of success: a wife. Political pressure sends him searching for his ideal bride, a gently bred, malleable young lady, preferably one with a political background. Michael discovers such a paragon but finds a formidable obstacle in his path—the young lady's beautiful, strong-minded aunt—Caroline Sutcliffe. One of London's foremost diplomatic hostesses, Caro has style and status but, having lived through an unhappy political marriage, wants nothing of the sort for her niece, who has already lost her heart to another. So Caro and the younger woman hatch a plot—Caro will demonstrate why an inexperienced young lady is not the bride for Michael. She succeeds in convincing him that what he really needs is a lady of experience by his side. And the perfect candidate is right under his nose—Caro herself. Then it is Michael's turn to be persuasive, a task that requires every ounce of his seductive charm as he tempts and tantalizes Caro, seeking to convince her that becoming his bride will bring her all her heart desires . . . and more. But then a series of mysterious, and dangerous, accidents befall Caro—an assailant has stepped in with their own idea for Caro's future—one that could involve murder. Before Caro can become Michael's ideal bride, they must race to uncover the unknown's identity before all hope of what they long for, and wish for, is destroyed.
