Raiden knows tragedy as well as loyalty. She grew up in the Ravens MC club with her father the President. When her mother dies, it sends her down a different track within the club as she copes with the loss. She becomes one of their greatest assets which is refreshing in an MC though, she has to sell her soul to protect the family she cherishes.

Thank you completely much for downloading raidens choice a ravens mc novel book 1. Most likely you have knowledge that, people have look numerous time for their favorite books similar to this raidens choice a ravens mc novel book 1, but end up in harmful downloads.

I was raised in a motorcycle club. I saw things no little girl should ever see. Did things no little girl should ever do. That was my life and I loved it. The Ravens taught me about family. Loyalty. Even loss. Now I live a different life. I'm no longer part of that family. I'm no longer part of the club. I live a life where I pretend to be the person I am. I put on a show for the world and I'm good at it. I've perfected it. At least I thought I had. It didn't take him long to see right through me. I have a choice to make. Keep playing pretend or finally be who I have always wanted to be. "When you're ready to stop hiding who you really are, come find me." **Raiden's Choice is the first book in the Ravens MC series. It is a standalone, full-length novel and is suitable only for mature readers. It includes adult content, adult language, sexual situations, drug abuse, violence, and talk of rape. **

Betrayal. When you're in a motorcycle club, you think this never happens. I'm a Ryker. We're supposed to be about family and loyalty. I've learned that sometimes club family can betray you deeper than anyone. Now that I know the truth...who can I trust? The woman who has saved my ass time and again or my own flesh and blood who wants me to help him bring down the very club I've been calling my family? Can I betray the Rykers knowing they turned their backs on me once? I call myself loyal...but that's not loyalty. I have a choice to make. Family or blood. "Savages. That's exactly what we are. It's what I am." *Lincoln's Choice is book two in the Ravens MC series. It references characters and events from Raiden's Choice (A Ravens MC Novel: Book One) but can be read as a standalone novel. It includes adult content, adult language, violence, and sexual situations. It is intended for mature readers only. *

I left home seven years ago, trying to pursue my dream. California was going to give me everything. Life. A career. Money. I had no idea how quickly a dream could turn into a nightmare. A motorcycle club is about family, trust and loyalty. Break that and you will have an enemy on your hands that you can't defeat. Run from it and you will be looking over your shoulder for the rest of your life. I broke it and I ran. I'm trying to start over. Trying to figure out who I am outside of that lifestyle, but does Katy McGuire even exist anymore? I can choose to get entangled in the motorcycle club my sister is in, be drawn back into the life I ran screaming from, or I can choose to forget that part of me ever existed. That part of me that feels comfortable in the nightmare. "I had a choice to make and I chose my heart." *Katy's Choice is book three in the Ravens MC Series, but can be read as a standalone novel. It has references to characters and events from Raiden's

She saved me. Pulled me from the depths of the ocean. Siren—her name fits. Her beauty striking; her voice heavenly. But unlike the mythical version, Siren didn't lure me to my death. She saved me. And now, seeing her about to be sold to the highest bidder, it's my turn to save her. — I was raised to always tell the truth, no matter what. And it's served me well. Until today. Today, I wish I could lie. Because my truth put me here—about to be sold. A lie could set me free. But I always tell the truth, even when I lie.

Pain. That's a word Bailey Winsor knows well, having endured it since she was a child from the people who were supposed to protect her. Just when her life appears normal, something Bailey has never experienced, she meets a man and falls in love. Love can be deceiving. Bailey jumps from the frying pan that was her childhood and into the burning bowels of hell, which is her sick and twisted husband. It's hopeless. Suffering more years of abuse, Bailey eventually realizes she has no choice but to run. Forced to stop in a small town in Ohio, Bailey encounters a town full of people that welcomes her with open arms, especially Jaxon Walker, the tattooed and pierced local bar owner. Bailey has secrets she's unwilling to reveal. Jaxon senses her fear and refuses to give up trying to discover them. Will Bailey be brave enough and learn to trust Jaxon with her deepest secrets? Will Jaxon be strong enough to protect Bailey when her past comes knocking at her door?

A dark and twisted fantasy standalone romance, where hate and love collide in a world filled with snarky witches and vengeful gods. Perfect for fans of *To Kill a Kingdom* and *Kingdom of the Wicked* Grieving being torn from her beloved sister, who remained behind in the human kingdom, Elle makes it her life purpose to become a keeper in her cursekeeper coven. But this calling won't be an easy one. The magic possessed by her small coven of four casts them as outsiders throughout the kingdom. Yet when witches are found murdered in the woods, the cursekeepers quickly become the town's only hope. Many believe the murders are the work of a god. An old one returned in search of vengeance. Elle, on the other hand, suspects Viktor, the new warlock to town, is somehow linked to the violent deaths. However, his agenda doesn't stop there. Infiltrating her coven. Charming everyone around him. Threatening her plans to become a keeper. This rivalry quickly becomes personal. When the truth behind the murders surfaces, Elle finds herself thrust into a dangerous new world, trapped between twisted hearts and terrifying beings. With the victims piling up, she must decide who to trust and who to protect before it's too late. Embraced by Darkness is a collection of standalone books set in the same world without an overarching plot, which means you can start with any books in the series and pick and choose which ones you want to read. This collection of novels follows different couples as they go from enemies to friends to lovers, while facing dangerous obstacles in a world split between humans, shifters, witches and gods, set in two kingdoms that separate them.

Download Free Raidens Choice A Ravens Mc Novel Book 1

From the #1 New York Times bestselling author of *The Wrath and the Dawn*, comes a sweeping, action-packed YA adventure set against the backdrop of Feudal Japan where *Mulan* meets *Throne of Glass*. The daughter of a prominent samurai, Mariko has long known her place—she may be an accomplished alchemist, whose cunning rivals that of her brother Kenshin, but because she is not a boy, her future has always been out of her hands. At just seventeen years old, Mariko is promised to Minamoto Raiden, the son of the emperor's favorite consort—a political marriage that will elevate her family's standing. But en route to the imperial city of Inako, Mariko narrowly escapes a bloody ambush by a dangerous gang of bandits known as the Black Clan, who she learns has been hired to kill her before she reaches the palace. Dressed as a peasant boy, Mariko sets out to infiltrate the Black Clan and track down those responsible for the target on her back. Once she's within their ranks, though, Mariko finds for the first time she's appreciated for her intellect and abilities. She even finds herself falling in love—a love that will force her to question everything she's ever known about her family, her purpose, and her deepest desires.

The breathtaking action and whirlwind adventure build to a climax in this thrilling conclusion to the “remarkably unpredictable” (BCCB) *Sky Fall* trilogy from the bestselling author of the *Keeper of the Lost Cities* series. Vane Weston is ready for battle. Against Raiden's army. Against the slowly corrupting Gale Force. Even against his own peaceful nature as a Westerly. He'll do whatever it takes, including storming Raiden's icy fortress with the three people he trusts the least. Anything to bring Audra home safely. But Audra won't wait for someone to rescue her. She has Gus—the guardian she was captured with. And she has a strange “guide” left behind by the one prisoner who managed to escape Raiden. The wind is also rising to her side, rallying against their common enemy. When the forces align, Audra makes her play—but Raiden is ready. Freedom has never held such an impossible price, and both groups know the sacrifices will be great. But Vane and Audra started this fight together. They'll end it the same way.

When marrying your enemy is only the beginning...Once upon a time, there lived a princess so cruel that even her husband tried to destroy her. The results left her without a father, her husband without a memory, and herself as queen to a kingdom on the cusp of war. Even so, after learning of her treasonous husband's upcoming nuptials, she set out to find him and locked him in her dungeon. There, and only there, would she unveil a time when she once allowed herself to be vulnerable. A past detailing how her heart was coaxed to beat outside her chest, only to have it crushed by the cold hands of betrayal. But true vengeance will need to wait. War is coming, and with it, decisions and danger masked in treacherous beauty. All too soon, the young queen will learn that time could be the most dangerous foe of all. For it is time that would reveal all the ways a dead heart can beat anew. Contains dark themes and a HEA. Recommended for 18+
