Razzle Dazzle: The Battle for Broadway: Amazon.co.uk ...

Razzle Dazzle: The Battle for Broadway is written by New York Post theater columnist Michael Riedel. The book is full of stories about the Shubert Organization and the Broadway shows that they were involved in. The later chapters also give us some insight into the Nederlander theaters and their shows. I love musical theatre.

“The trouble with Razzle Dazzle is...you can’t put the damn thing down” (Huffington Post). PUBLISHERS WEEKLY DEC 14, 2015 Drawing richly on interviews, reviews, memoirs, and archival materials, New York Post theater columnist Riedel crisply tells the tale of the men whose contentious battle for the Broadway theater district turned 1970s Times Square into today's mecca for theatergoers and tourists.

?Razzle Dazzle on Apple Books

Broadway’s most respected (and feared) commentator pulls back the curtain on its stars, its producers, and its mega-hits to reveal all the shocking drama, intrigue, and power plays that happened off stage.Razzle Dazzle is a provocative, no-holds-barred narrative account of the people and the money and the power that re-invented an iconic quarter of New York City, turning its gritty back ...

Razzle Dazzle: The Battle for Broadway: Riedel, Michael ...

"A revered and provocative theater observer presents a grand history of the producers, directors, actors, and critics battling for creative and financial control of Broadway"--Front jacket flap.

"A revered and provocative theater observer presents a grand history of the producers, directors, actors, and critics battling for creative and financial control of Broadway"--Front jacket flap.

The story of the rise, fall, and redemption of Broadway—its stars, its biggest shows, its producers, and all the drama, intrigue, and power plays that happened behind the scenes—“unfolds faster than a curtain going up on opening night....A must read” (Kevin Spacey). “A rich, lovely, debut history of New York theater in the 1970s and eighties” (Kirkus Reviews, starred review), *Razzle Dazzle* is a narrative account of the people and the money and the power that turned New York’s gritty back alleys and sex-shops into the glitzy, dazzling Great White Way. In the mid-1970s Times Square was the seedy symbol of New York’s economic decline. Its once shining star, the renowned Shubert Organization, was losing theaters to make way for parking lots and losing money. Bernard Jacobs and Jerry Schoenfeld, two ambitious board members, saw the crumbling company was ripe for takeover and staged a coup and staved off corporate intrigue, personal betrayals and criminal investigations. Once Jacobs and Schoenfeld solidified their power, they turned a collapsed theater-owning holding company into one of the most successful entertainment empires in the world, spearheading the revitalization of Broadway and the renewal of Times Square. “For those interested in the business behind the greasepaint, at a riveting time in Broadway’s and New York’s history, this is the ticket” (USA TODAY). Michael Riedel tells the stories of the Shubert Organization and the shows that re-built a city in grand style—including *Cats*, *A Chorus Line*, and *Mamma Mia!*—revealing the backstage drama that often rivaled what transpired onstage, exposing bitter rivalries, unlikely alliances, and inside gossip. “The trouble with *Razzle Dazzle* is...you can’t put the damn thing down” (Huffington Post).

“Fun and gossip.” —The Wall Street Journal * “A masterful history.” —Publishers Weekly (starred review) * “Engaging.” —Newsweek A “brisk, insightful, and deliciously detailed take” (Kirkus Reviews) on a transformative decade on Broadway, featuring behind-the-scenes accounts of shows such as *Rent*, *Angels in America*, *Chicago*, *The Lion King*, and *The Producers*—shows that changed the history of the American theater. The 1990s was a decade of profound change on Broadway. At the dawn of the nineties, the British invasion of Broadway was in full swing, as musical spectacles like *Les Miserables*, *Cats*, and *The Phantom of the Opera* dominated the box office. But Andrew Lloyd Webber’s *Sunset Boulevard* soon spelled the end of this era and ushered in a new wave of American musicals, beginning with the ascendance of an unlikely show by a struggling writer who reimagined Puccini’s opera *La Bohème* as the smash Broadway show *Rent*. American musical comedy made its grand return, culminating in *The Producers*, while plays, always an endangered species on Broadway, staged a powerful comeback with Tony Kushner’s *Angels in America*. A different breed of producers rose up to challenge the grip theater owners had long held on Broadway, and corporations began to see how much money could be made from live theater. And just as Broadway had clawed its way back into the mainstream of American popular culture, the September 11 attacks struck fear into the heart of Americans who thought Times Square might be the next target. But Broadway was back in business just two days later, buoyed by talented theater people intent on bringing New Yorkers together and supporting the economics of an injured city. “Told with all the wit and style readers could wish for” (Booklist) Michael Riedel presents the drama behind every mega-hit or shocking flop. From the bitter feuds to the surprising collaborations, all the intrigue of a revolutionary era in the Theater District is packed into *Singular Sensation*. Broadway has triumphs and disasters, but the show always goes on.

“One of the best literary works of this year” (Miami Herald-Tribune): The true story of a theatrical dream—or nightmare—come true...the making of the *Spider-Man* musical. As you might imagine, writing a Broadway musical has its challenges. But it turns out there are challenges one can’t begin to imagine when collaborating with two rock legends and a superstar director to stage the biggest, most expensive production in theater history. Renowned director Julie Taymor picked playwright Glen Berger to cowitz the book for a \$25 million *Spider-Man* musical. Together—along with U2’s Bono and Edge—they would shape a work that was technically daring and emotionally profound, with a story fueled by the hero’s quest for love...and the villains’ quest for revenge. Or at least, that’s what they’d hoped for. But when charismatic producer Tony Adams died suddenly, the show began to lose its footing. Soon the budget was ballooning, financing was evaporating, and producers were jumping ship or getting demoted. And then came the injuries. And then came word-of-mouth about the show itself. What followed was a pageant of foul-ups, falling-outs, ever-more harrowing mishaps, and a whole lot of malfunctioning spider legs. This “circus-rock-and-roll-drama,” with its \$65 million price tag, had become more of a spectacle than its creators ever wished for. During the show’s unprecedented seven months of previews, the company’s struggles to reach opening night inspired breathless tabloid coverage and garnered international notoriety. Through it all, Berger observed the chaos with his signature mix of big ambition and self-deprecating humor.

The *Book of Broadway* is a celebratory, gorgeous tome dedicated to what is arguably the quintessential American art form: the Broadway show. Lose yourself in 150 profiles of the best, most influential, and most important Broadway musicals and plays ever produced.Shows profiled include everything from the 1860s musical *The Black Crook*, which captivated and titillated audiences for more than five hours, to *Hamilton*, Broadway’s biggest story of 2016. The men and women who shaped Broadway history—such as Stephen Sondheim, Tennessee Williams, Bernadette Peters, Richard Rodgers, Oscar Hammerstein II, Ethel Merman, Marlon Brando, August Wilson, and Nathan Lane—are celebrated for their groundbreaking work and photographs throughout illustrate the stunning designs of the shows. This comprehensive book by Eric Grode—arts writer for *The New York Times*, and author of *Hair: The Story of the Show That Defined a Generation*—is the ultimate guide to Broadway shows. Even if you consider yourself an expert in the theater, you will be amazed by the fantastic Broadway trivia scattered throughout this volume, as well as the palpable sense of history in this encyclopedic treatment of one of our most beloved pastimes. Just a few of the titles included are: -Annie -The Book of Mormon -Bye Bye Birdie -Cat on a Hot Tin Roof -Chicago -Death of a Salesman -Fiddler on the Roof -Grease -Guys and Dolls -Hamilton -Hello, Dolly! -Kiss Me, Kate -Les Miserables -The Music Man -My Fair Lady -The Phantom of the Opera -Rent -Six Degrees of Separation -The Sound of Music -A Streetcar Named Desire -West Side Story And so many more!

A sparkling and eye-opening history of the Broadway musical that changed the world In the half-century since its premiere, *Fiddler on the Roof* has had an astonishing global impact. Beloved by audiences the world over, performed from rural high schools to grand state theaters, *Fiddler* is a supremely potent cultural landmark. In a history as captivating as its subject, award-winning drama critic Alisa Solomon traces how and why the story of Tevye the milkman, the creation of the great Yiddish writer Sholem-Aleichem, was reborn as blockbuster entertainment and a cultural touchstone, not only for Jews and not only in America. It is a story of the theater, following Tevye from his humble appearance on the New York Yiddish stage, through his adoption by leftist dramatists as a symbol of oppression, to his Broadway debut in one of the last big book musicals, and his ultimate destination—a major Hollywood picture. Solomon reveals how the show spoke to the deepest conflicts and desires of its time: the fraying of tradition, generational tension, the loss of roots. Audiences everywhere found in *Fiddler* immediate resonance and a usable past, whether in Warsaw, where it unlocked the taboo subject of Jewish history, or in Tokyo, where the producer asked how Americans could understand a story that is “so Japanese.” Rich, entertaining, and original, *Wonder of Wonders* reveals the surprising and enduring legacy of a show about tradition that itself became a tradition. Wonder of wonders, miracle of miracles.

A New York Times Bestseller For almost a century, Americans have been losing their hearts and losing their minds in an insatiable love affair with the American musical. It often begins in childhood in a darkened theater, grows into something more serious for high school actors, and reaches its passionate zenith when it comes time for love, marriage, and children, who will start the cycle all over again. Americans love musicals. Americans invented musicals. Americans perfected musicals. But what, exactly, is a musical? In *The Secret Life of the American Musical*, Jack Viertel takes them apart, puts them back together, sings their praises, marvels at their unflagging inventiveness, and occasionally despairs over their more embarrassing shortcomings. In the process, he invites us to fall in love all over again by showing us how musicals happen, what makes them work, how they captivate audiences, and how one landmark show leads to the next—by design or by accident, by emulation or by rebellion—from Oklahoma! to *Hamilton* and onward. Structured like a musical, *The Secret Life of the American Musical* begins with an overture and concludes with a curtain call, with stops in between for “I Want” songs, “conditional” love songs, production numbers, star turns, and finales. The ultimate insider, Viertel has spent three decades on Broadway, working on dozens of shows old and new as a conceiver, producer, dramaturg, and general creative force; he has his own unique way of looking at the process and at the people who collaborate to make musicals a reality. He shows us patterns in the architecture of classic shows and charts the inevitable evolution that has taken place in musical theater as America itself has evolved socially and politically. *The Secret Life of the American Musical* makes you feel as though you’ve been there in the rehearsal room, in the front row of the theater, and in the working offices of theater owners and producers as they pursue their own love affair with that rare and elusive beast—the Broadway hit.

Not Since *Carrie* is Ken Mandelbaum's brilliant survey of Broadway's biggest flops. This highly readable and entertaining book highlights almost 200 musicals created between 1950 and 1990, framed around the notorious musical adaptation of *Carrie*, and examines the reasons for their failure. “Essential and hilarious,” raves *The New Yorker*, and *The New York Times* calls the book “A must-read.”

In Sin City, Newport, Kentucky, in the mid-twentieth century, across the Ohio River from Cincinnati, Ohio, organized crime--the syndicate--established itself as the purveyor of vice: gambling & prostitution. Since the prohibition era Newport had been the night life center for the greater Cincinnati area, and by the 1950s it was run by the eastern mafia syndicate based in Cleveland. In the late 1950s Newport citizens began their attempt to clean up Newport to make way for future economic and social development. Into this battle between vice and reform, stepped Hank Messick, an investigative journalist for the Louisville Courier-Journal. Over the next few years, Messick reported in one sensational story after another, the inner workings of the syndicate and its ultimate downfall. *Razzle Dazzle* is his personal account of those tumultuous and dangerous years.
