Summer in San Remo (Riveria Book 1) - Kindle edition by ...

Evonne Wareham is such a clever writer, she writes thrillers and, in the case of Summer in San Remo, a romantic romp with a touch of mystery. Cassie's business is facing financial ruin, her ex-boyfriend has stolen most of the funds from her company, leaving Cassie with just one client's fee to keep her company solvent.

Amazon.com: Customer reviews: Summer in San Remo: The ...

The climate of Sanremo, a city in western Liguria, is Mediterranean, with mild, relatively rainy winters and warm, sunny summers. The city is located on the Western Ligurian Coast (" Riviera di Ponente "), an area that has a particularly mild climate: the average temperature of January, as high as 10 °C (50 °F), is found again only in Southern Italy, while in summer, hot days are rare.

Mystery, sparkling humor, and second-chance romance on the Mediterranean make for “the perfect summer read” (Old Victorian Quill). Making ends meet with her concierge service in Somerset, England, keeps Cassie Travers on her toes. As well-equipped (and just a little anxious) as she is to fulfill any request, her newest commission is the strangest ever: find herself a husband in twenty-four-hours and masquerade as a happy couple to secure the client’s hefty inheritance. Sounding less like a task than an outrageous scheme, she still can’t say no. All Cassie needs now is a man who’ll

say yes. Even if it's one she never wanted to see again. Twelve years ago, Detective Jake McQuire broke Cassie's heart. Imagine his surprise when his old flame is now asking to be his wife. And fast. It pays well, it's strictly business (right?), and best of all, it's whisking them off to a luxurious villa on the Italian Riviera. But Cassie and Jake soon find themselves in something hotter than the San Remo sun: a mystery that's drawing them into danger. It's also rekindling a romance that's making their hearts beat just as fast.

Treat yourself this summer ... You've had Cosy Christmas Treats, now try our summer selection! This collection of sunny short stories is perfect reading whether you're living it up at the beach, sunning yourself in the garden or sheltering indoors from the Great British summertime. From breath-taking boat rides on beautiful Greek islands to going on the run through the streets of Paris , from 'best ever ice cream' to pasteis de nata in pretty Portuguese cafes, these stories celebrate everything there is to love about summer, home and abroad – including, of course, a bit of holiday romance! Stories from the following authors: Jan Baynham, Angela Britnell, Helen Buckley,

Ella Cook, Kirsty Ferry, Morton S. Gray, Gina Hollands, Sharon Ibbotson, Margaret James, Marie Laval, Sue McDonagh, Chris Penhall, Anni Rose, Berni Stevens, Carol Thomas and Evonne Wareham

This book is about the great European health spas of the nineteenth century: what they were, how they operated, what life was like there and how their functions evolved to the point where their original medicinal purpose was relegated to a secondary place by the unintended uses of spas as stages of social and political interactions. These popular resorts were nicknamed 'the summer capitals of Europe' because of the tendency of nations' governing classes to gather there. Every summer between 1814 and 1914 (and in a few cases during World War I) continental watering places became a microcosm of cosmopolitan aristocratic Europe, incorporating its conventions, tastes, concerns and interests. As the nineteenth century advanced, fashionable watering stations increasingly became associated with social bonding, matchmaking, pleasure, career building, conspicuous consumption and diplomatic activity that took place during the high season.

In an age when crime runs rampant through the urban jungle of New York City, and the ruthless subsist by preying upon the weak, a clandestine organization of enforcers digs in its heels, and fights back. Led by the obsessed Gary Parker, the multitalented Vigilantes operate in secrecy, taking no prisoners in their never-ending crusade against the powers of corruption, injustice, and evil. From a game of cat-and mouse with the most powerful gangster on the eastern seaboard, to a blood-soaked showdown with the Chinese mafia, to a narcotics war with a rogue Mexican general, the Vigilantes are taking justice to street level. There'll be no talk of Miranda rights this evening. If the Vigilantes give you your right to remain silent, it will be by way of cutting your throat.

Anything could happen when you spend summer in San Remo ... Running her busy concierge service usually keeps Cassie Travers fully occupied. Jake McQuire has returned from the States to his family-run detective agency. When old flame Cassie appears in need of help with her mysterious client, who better than Jake to step in? Events take the pair across Europe to a luxurious villa on the Italian Riviera. There, Cassie finds that the mystery she pursues pales into insignificance, when compared to another discovery made along the way ...

AUTHOR: Evonne Wareham was born in South Wales and spent her childhood there. After university she migrated to London, where she worked in local government, scribbled novels in her spare time and went to the theatre a lot. Now she's back in Wales, living by the sea, writing and studying a PHD in history. She still loves the theatre, likes staying in hotels and enjoys the company of other authors through her membership of the Romantic Novelists' Association.
