achieve organizational, team, or individual goals. Within both definitions, there is a desire for a specific outcome, typically task completion.

The Difference Between Leadership & Supervision (2020)

Successful Supervision 1.1

Recognize that instructional supervision is a teacher support function to nurture teachers leadership and autonomy. 1.2

Promotes and facilitates activities for the development of self

□□directed teachers as professionals and instructional learners. 1.3 Utilizes procedures that promote open communication and collaboration and mutual trust. 1.4 Recognizes teachers strengths and needs and

a supportive learning
environment.

Instructional Supervision: Standards, Procedures and Tools.

Instructional leadership is different in many ways from the roles undertaken by a manager or school administrator. Principals who provide supervision and instructional leadership do not become overly preoccupied with dealing strictly with administrative duties.
