Taken by the T-rex ; Synopsis: Drin is her tribe's chief huntress; she lives for the thrill of the hunt. Men and sex hold no allure for her, as Drin has never found a partner to satisfy her. When a T-Rex descends upon her village, destroying it, Drin demands that the tribe's hunters go in search of the beast and slaughter it. Opting for safety instead of revenge, the tribe moves to a new ...

Cuddly killer with a toothy grin to die for.
The shades of blue make it attractive to the
young ones. If your child isn't into
dinosaurs yet, just give them this one and
they'll become fond of prehistoric animals
forever. Definitely, the best toy t-rex on
the market, choose this one rather than those
produced by Wild Republic.
