In 1997, Tiger Woods was already among the most-watched and closely examined athletes in history. But it wasn't until the Masters Tournament that his career would definitively change forever. Woods, then only 21, won the Masters by a historic 12 shots, which remains the widest margin of victory in the tournament's history, making it an iconic moment for him and sports.

~~The 1997 Masters: My Story: Woods, Tiger, Rubenstein ...~~

I enjoyed reading Tiger's almost shot-by-shot analysis of his record-setting round at the 1997 Masters. However, he can sometimes come across as overly defensive and the writing can be distractingly amateurish. That is my only dislike about the book. The content and story are 5 stars though.
