It is the Paradise where everything lives harmoniously and knows not of death or suffering. God intended it to be this way and therefore forbid Adam and Eve from eating of the Tree that stood in the centre of Eden. The forbidden fruit hung from this tree – and held the knowledge of death, suffering, good and evil.

Fruit tree video channel. Trees are wonderful companions.Trees have their own story to tell. All we need to do is to listen to them through observation by means of regular visits. It is a fallacy that trees look after themselves. In particular, the quality of the first five years of a fruit tree's life is instrumental to its capability to produce fruit on a regular basis.
