However, Afghans are free people, who are fond of freedom, with a free hospitable spirit and have always pushed the invaders back to their place. The Story of My Life may be the most extraordinary autobiography ever written. Its author was only 22 when it was published, in 1903, but her life to that point had already been most uncommon: she had been rendered deaf, blind, and later mute by an illness at the age of 19 months, and only years later learned to read, speak, and understand others through the dedication of a teacher extraordinary in her own right. American author and activist HELEN ADAMS KELLER (1880-1968) became famous thanks to *The Story of My Life,* which was later adapted for stage and screen in various incarnations under the title *The Miracle Worker,* a reference to that special teacher, Annie Sullivan. Here, in her own words, is Keller's firsthand experience of the dawning of enlightenment on the severely isolated child she was, and her evolution into the educated and erudite young woman she became.

It is party time in eighties Manhattan. Smart, sassy and cynical, Alison lives for the moment. Her life is a carnival of gossip and midnight sessions of Truth or Dare, and her cocaine-bashing friends and flirting flatmates all crave satiation. Young and beautiful, hip and indulgent, sex-crazed and alcohol-fuelled, Alison can neither pay her fees for drama school nor track down her indifferent father. She juggles rent money with abortion fees, lingering lovers with current conquests and is the despair of her

gynaecologist. She's fallen deeply in lust with Dean, although that nasty present Skip Pendleton left her with hasn't yet cleared up. Story of her life right? But in a world of no consequences, Alison is heading for a meltdown.

This is Helen Keller's famous and inspiring autobiography of her childhood as a deaf-blind girl. Illness at 19 months left Helen bereft of sight, hearing and speech and she struggled for years to connect with those around her. But when her teacher, Anne Sullivan, came to teach the 7 year old to communicate, the world opened up to Helen.

The novel is narrated in the first-person from the point of view of Alison Poole, "an ostensibly jaded, cocaine-addled, sexually voracious 20-year-old." Alison is originally from Virginia and lives in Manhattan, where she is involved in several sexual relationships and is aspiring to become an actress.

The Story of My Life, originally published in Czechoslovakia in 1928, is the engaging and informative autobiography of Frank Vlcek, a Czech immigrant who became a successful businessman in Cleveland, Ohio, during the late nineteenth and early twentieth centuries. The youngest of fourteen children, Vlcek was born to peasant parents in Budyn, southern Bohemia, in 1871. After attempting a career in blacksmithing in Bohemia, at the age of seventeen he decided to follow his two older sisters to Cleveland, home to America's second-largest Czech community. Vlcek worked a variety of unsatisfactory jobs during his first years in Cleveland. In 1895 he opened his own smithing operation, which after a long struggle was transformed into a successful corporation that specialized in the manufacture of toolkits for automobiles. acquisitions, and the successes and travails of his operation. Vlcek was often able to travel home to Czechoslovakia, and during those trips he noted the different cultural and political attitudes that had evolved between Czechs and their Czech American cousins. Vlcek's memoir provides a rare primary source about Czech immigrants. It also offers insight into a self-made man's life philosophy, illustrates relations between ethnic groups in Cleveland during the 1880s, and demonstrates the assimilation of a late-nineteenth-century immigrant in America. Readers interested in immigration history as well as the history of Cleveland will enjoy this fascinating autobiography.
