Read - definition of read by
The Free Dictionary

Superficial reading – This is when you just read. Don't ponder the argument, don't look things up, don't write in the margins. If you don't understand something, move on. What you gain from this quick read will help you later when you go back and put more effort into reading. You now come to another decision point.

Read is the past tense of
read, it is pronounced in
the same way as the word
red. The present tense,
read, is pronounced as reed,
though it is spelled in the
same manner as the past
tense, read. Read means to
have comprehended the
symbols composing printed or
written matter and
interpreted them into
information.
