Yet Bill Johnson, in my long track record of listening to him has never more than hinted at his eschatology.

Christianity Unshackled follows the development of Western thought over the last 2,000 years, showing how Christianity has grown up side-by-side with Western philosophy. Great errors have resulted from that entanglement, primarily because Western philosophy has its roots in the ancient Greek worldview. After untangling that mess, Harold R. Eberle rebuilds a Christian worldview, laying biblical truths on the ancient Hebrew foundation. This yields a worldview which is liberating, answers the questions of today's society and stands up against the most fearsome attacks from Christianity's modern opponents.

Are we near the end of the world? Is the rapture of Christians fast approaching? Stan Newton says, "Absolutely not." "Glorious Kingdom" is a victorious kingdom view of eschatology. After years of teaching on the kingdom, certain things become clear; in order for people to 'see the kingdom' elimination of their dispensational mindset is top priority. With "dispensational eschatology" in his sights, he delivers one shot after another to order to eliminate this faulty doctrine of escapism. He then rebuilds a biblical foundation for the transformation of the church and the world. About the Author Stan Newton -A graduate of Moody Bible Institute and has received his D.Min from Vision International University. He has served as pastor for over 20 years in the United States before relocating to Europe. Along with his wife Virginia, they founded Kingdom Missions and now live in Bulgaria where they continue their calling to teach and demonstrate the kingdom of God. They have two married sons and four grandchildren. You may contact them by mail or e-mail. Kingdom Missions PO Box 731988 Puyallup, WA. 98373 svnewton@hotmail.com

A condensed and compiled version of volumes 1-5 in the Spiritual Realities series. In this book, Harold explains the spiritual world from a Christian perspective.

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

An entire generation of victory-minded Christians, spurred by the victorious postmillennial vision of Chalcedon, has emerged to press what the Puritan Fathers called "the Crown Rights of Christ the King" in all areas of modern life. Central to that optimistic generation is Rousas John Rushdoony's jewel of a study, God's Plan for Victory (originally published in 1977). The founder of the Christian Reconstruction movement set forth in potent, cogent terms the older Puritan vision of the irrepressible advancement of Christ's kingdom by his faithful saints employing the entire law-word of God as the program for earthly victory.
